The special meeting of the State Board of Elections was called to order via videoconference means at 9:00 a.m. with seven members present. Chairman Porter, Vice Chairman Schneider, Members Brady and McGuffage were present in the Chicago office and Members Keith and Smart were present in the Springfield office. Member Walters was connected via telephone. Member Rednour was absent and Member Keith held her proxy.

The Chairman opened the meeting by leading everyone in the pledge of allegiance.

The Executive Director indicated the reason for today's meeting was to certify the results of the February 5, 2008 Special Primary Election in the 14<sup>th</sup> Congressional District and that before them were the results of the election and a certification to the election authorities for the Special General Election on March 8. Member Schneider stated that the percentage column on the results page were based on the total number of ballots cast rather than the total number cast for each political party. Mark Mossman, Director of Election Information, stated the percentages should be based on the number of votes for each party instead of the total number cast overall and indicated he would make that correction. Vice Chairman Schneider moved to accept the certification subject to the correction indicated. Member Brady seconded the motion which passed by roll call vote of 8-0.

With there being no further business before the Board Vice Chairman Schneider moved to adjourn until 10:30 a.m. on Tuesday, February 19, 2008, or until call of the Chairman whichever occurs

first. Member Brady seconded the motion which passed unanimously. The meeting adjourned at 9:08 a.m.

Respectfully submitted,

Chairman Porter called the meeting to order shortly after 10:30 a.m. and led everyone in the pledge of allegiance. Member Brady arrived at 10:33.

To accommodate members of the audience, Chairman Porter called matters out of order. Mr. Lance Gough, Executive Director of the Chicago Board of Election Commissioners, was recognized. He thanked the Board for the support the agency has given them and offered a review of the election. Mr. Gough indicated that they reached a early voting milestone of 81,000 and project 150,000 for the November General Election. Provisional ballots were under 7,000 overall. Mr. Gough concluded that he wanted to thank everyone at the SBE for their support to a successful primary. Chairman Porter said the Board was very happy to have him present his report.

Director White presented the minutes of the January meeting and read the changes suggested by Member Keith. Member McGuffage asked to delete a sentence on page 4, 2<sup>nd</sup> paragraph, the 2<sup>nd</sup> sentence from the bottom regarding election judge stipends. Member Smart moved to approve the minutes with the corrections proposed by Members Keith and McGuffage. Member Keith seconded the motion which passed unanimously by roll call vote.

The Chairman called the matter of *SBE v. Friends of Judy Sterns*, L14206, 07MA018, an appeal of campaign disclosure fines which was carried over from the January meeting. The hearing officer recommended the appeal be denied and General Counsel Steve Sandvoss concurred with that recommendation. Mr. Richard Means was present for the respondent committee and stated that the mistakes were unintentional. Further, he compared this complaint to two from 2006 which he claimed had the same facts and asked that the fine be abated as they were in those cases. Mr. Sandvoss disagreed as the two complaints from 2006 involved PACs, not a candidate's committee. He recommended that the appeal be denied, and the committee assessed \$4,314 in fines that are immediately due and owing. Member Keith so moved and Member Brady seconded the motion which passed 7-1 with Chairman Porter dissenting.

The Chairman called *SBE v. Citizens for Cappelman*, L13487, 07AC053 and recognized Mr. James Cappelman for the respondent. Mr. Sandvoss indicated that a Motion to Reconsider a January 23, 2008 Final Order ordering the

committee to pay a \$1,200.00 fine was filed by the respondent. Mr. Cappelman stated that he believed all A-1s had been timely filed until he received a letter on January 28, 2008. Mr. Rupert Borgsmiller, Director of Campaign Disclosure, stated that a notice of failure to file was mailed on December 18, 2007, the addresses were correct, and they were not returned to the SBE office. The General Counsel recommended that the Motion to Reconsider be denied on the grounds that the address was correct and the notice was not returned. He reasoned that it was possible that the letter was received and lost in the shuffle. Mr. Brady reminded Mr. Cappelman that his obligation exists independent of receiving notice. Member Smart moved to accept the recommendation of the General Counsel and deny the Motion to Reconsider. The motion was seconded by Member McGuffage and passed unanimously.

Mr. White began his report with a review of the February 5, 2008 General Primary Election, the earliest primary election in Illinois history. He said that the state of Illinois had a good election and while there were some normal problems, the election was very well administered. A record number of 3 million votes (41% of registered voters) were cast which is a 50% increase from the last presidential primary election. The Director acknowledged that an extensive state public information campaign informing Illinois voters of the early primary date, early voting and grace period registration may have added to its success. He added that the special Congressional election in the 14<sup>th</sup> District will be held Saturday, March 8<sup>th</sup> and commended those counties in the 14<sup>th</sup> Congressional District. Mr. White asked Mark Mossman, Director of Election Information, if he would like to add to the Post Election Day Report. Mr. Mossman, present by telephonic conference call, stated that most calls received on Election Day were routine in nature. He stated that a troubling, statewide problem was "federal office only" ballots were issued to voters and he thought that the fact that the packaging and ballots were the same color as the regular ballots may have confused the election judges. Vice Chairman Schneider asked if there were statutory changes that would be necessary to implement. Mr. Mossman indicated that addressing the issue of color where a federal-only ballot could be a different color than the regular party ballot may require legislation and that he will quickly complete his report and recommendations and submit them to Director White. Messrs. White and Mossman said they will also follow up with the advisory committee.

Mr. White indicated that the results of 3 pre-tests were contained on pages 14 and 15 of the board packet and asked Dianne Felts, present by teleconference call, for her comments. Director Felts said that with the help of her staff and other staff members from other divisions, they marked over 11,000 ballots to test the 3 jurisdictions. Further that it is a long, tedious process when testing the AutoMARK or touch screens. Only three small jurisdictions were tested, but it was tripled because there were the Democratic, Republican and Green Party primaries in each jurisdiction. Green County had many problems, several of the touch screen machines needed to be recalibrated and one froze up and needed to be rebooted and recalibrated. Problems in the 19<sup>th</sup> congressional district ensued due to the need for a write-in line. The problem was corrected after the vendor's rep changed the program for the second time. The touch screen machines did not have this problem in the 19<sup>th</sup>. Other problems were: the memory card would not upload for two precincts; one precinct had to be reconfigured due to a write-in line added after the initial program was compiled; and misspelling of a name for a precinct committeeman's office on the tabulator's tape and two ballot set up errors prior to the pre-test. In Menard County, 5 of the Auto-MARK machines malfunctioned; one machine had program card malfunction; two had belt problems. All of the Auto-MARK machines had been serviced prior to the test and no errors on the scan tabulators. Shelby County had one touch screen freeze up but recalibration corrected the problem and there were no errors on the scan tabulators. Vice Chairman Schneider asked if we currently notify other jurisdictions using the same equipment that problems occurred in pre election testing. Director White responded that they will make this information available to the election authorities so they are made aware of equipment irregularities before the next general election.

Election judge training school information was submitted for informational purposes.

We are very early in the spring session which is an emergency session, Mr. White said. However, it seems that some election issues will be addressed. The Election Committee did meet last week and vote a part of the omnibus election bill addressing signature issues in DuPage County. That was the only action taken by the committee. Cris Cray continues to work on our legislative package.

Director White presented a report on the first meeting of the Election Day Voter Registration Commission which met on Wednesday, February 13, 2008 in the Springfield office. Mr. James Ascot was elected Chairman of the commission and the SBE shall provide staff and technical assistance. The next meeting is in June and we will continue to support them. This commission has a short lifespan as its work must be completed by January 1, 2009.

The Executive Director was pleased to present the findings of the State Compliance Audit for the Fiscal years 2006 and 2007 and noted that there were three findings, but only two made it into the final written synopsis. The first finding, non-compliance with HAVA provision for a computerized centralized statewide voter registration list, is an ongoing project and we expect to be in full compliance by mid year. The second finding was non compliance with an Election Code provisions to give written notice to the central committee chairmen of established political parties of the time and place of the 5% precinct random selection prior to the Consolidate Primary. This has been addressed and we have provided the appropriate notice for the primary election. The last finding, inaccurate Grant and/or Contract Analysis Form filing with the Comptroller's office was a one time misunderstanding of reporting a Secretary of State's HAVA grant refund and will not be repeated. Mr. White gave credit to the entire staff that responded to the auditors, and special recognition to Administrative Services Director Jim Withers and Chief Fiscal Officer Mike Roate. Having only three findings is a remarkable achievement and because of the lack of significant findings we will not be required to appear before the Legislative Audit Commission. Mr. White indicated that he will continue to update the Department of Justice and the EAC on the progress of the unique identifier and felony matching.

Concluding the Report of the Executive Director were fiscal status reports and the two year plan of staff activity presented for information purposes.

General Counsel Sandvoss continued his report with three new Appeals of campaign disclosure fines. Mr. Sandvoss agreed with the hearing office and recommended the appeals be granted. Member Smart moved to adopt the recommendations of the hearing officer and general counsel and grant the appeals in *SBE v. Citizens for Carina Sanchez*, L13751, 07AC055; *SBE v. Friends to Elect Toni Foulkes*, S9334, 07A048; and *SBE v. Citizens for Heather Alderman*, S9386, 07AE047. Member McGuffage seconded the motion which passed unanimously.

Mr. Sandvoss presented four new appeals of campaign disclosure fines wherein the hearing officer recommended the appeals be denied. The General Counsel agreed with the hearing officer and recommended the appeals be denied and a fine assessed. Member Smart moved to deny the appeals and assess the fines in concurrence with the General Counsel's recommendation. Member Rednour seconded the motion which passed unanimously. Appeals were denied in *SBE v. Friends for Julius Anderson*, L13825, 07JS120; *SBE v. Citizens for an Independent Streamwood*, L14167, 07AE045; *SBE v. Friends of Susie Barber*, L14299, 07MA031; and *SBE v. Classroom Teachers Council IPACE*, S9385, 07MA026.

A request for payment plan was received from the Citizens to Elect Alvin Parks, Jr. The fine assessed is \$4,120 and the committee will pay \$1,120 and then make ten \$300 payments. Member McGuffage moved and Member Schneider seconded the motion to accept the payment plan proposed. The motion passed 8-0.

Payments of civil penalties were submitted for informational purposes.

Vice Chairman Schneider moved to recess to executive session to discuss litigation and personnel matters. Member Rednour seconded the motion which passed by 8 yeas in unison. The meeting recessed at 11:55 a.m.

The Board returned to open session at 12:02 p.m.

Member McGuffage had two announcements. The Chicago Bar Association has invited the SBE to present a resolution honoring Mike Lavelle, one of the original SBE Board members as well as a renowned attorney involved in Election law for over 40 years. The date will be in early March and Mr. McGuffage will keep the Board advised.

Member McGuffage announced that a seminar on Federal Election Law and Ethics will be held on Tuesday, March 18 at the University Center across from the Harold Washington Library. A detailed analysis will be given on the Voting Rights Act and 4 hours of Ethics Credit will be awarded to attorneys under MCLE requirements. He indicated that it is open to anyone who would like to attend and the cost is \$325. If anyone wanted more information they should contact him directly.

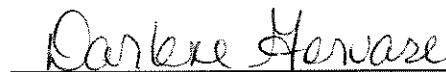

There being nothing further before the Board, Vice Chairman Schneider moved to adjourn until Friday, March 7, 2008 or the call of the Chair. Member Rednour seconded the motion which passed unanimously. The meeting adjourned at 12:08 p.m.

Appeal of Civil Penalty Assessment for Delinquently Filing the  
June 30<sup>th</sup>, 2007 Semi-Annual Report

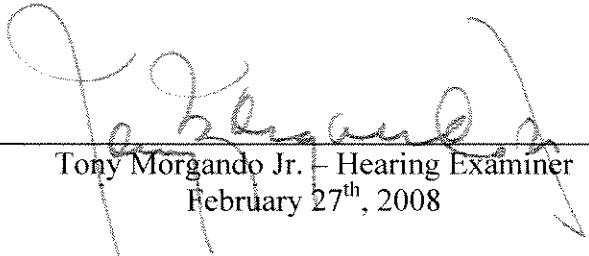

The political committee's June 2007 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on December 5<sup>th</sup>, 2007, 86 day(s) late. As such, the political committee has been assessed a fine of \$4,300.00. In addition, this Committee had been assessed a civil penalty of \$500.00, that was stayed as a first violation, for delinquently filing the February 2007 Pre-Election Report. The total assessment is \$4800.00.

Mr. Thomas Worthy, Treasurer, filed a Request for Hearing and Appeal Affidavit, on January 11<sup>th</sup>, 2008, indicating as good reason or defense of the assessment of a civil penalty "miscommunications with the Treasurer's office and CB24's mailing address".

Hearing in this matter was set for Wednesday, January 30<sup>th</sup>, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, 14-100, at 9:00 a.m.

Mr. Thomas Worthy, Treasurer, appeared on behalf of the political committee. Mr. Worthy indicated that the political committee's headquarters was located in the rear of a local church, which was not staffed on a daily basis. Mr. Worthy stated that the political committee has had no activity since the February, 2007 Consolidated Primary, retains approximately \$300 in residual funds, and seeks leniency of the Board in this matter. Mr. Worthy stated a Final Report would be prepared and filed with the SBE shortly. Via telephone conversation of Thursday, February 21<sup>st</sup>, Mr. Worthy indicated that such Final Report would be filed on or before Monday, February 25<sup>th</sup>, 2008. As of the date of this report, a Final Report still has not been filed with the SBE.

I feel based upon a review of the statements/documents presented in this matter, and consideration of a prior filing delinquency (\$500.00), it is the opinion of the Hearing Examiner that reasonable grounds do not exist to grant the appeal. Therefore it is the recommendation of the Hearing Examiner that the appeal be denied, and the assessed fine of \$4,800.00 be due and owing.

Dear Citizens for a Better 24th Ward (CB24);

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	January 1, 2007 through June 30, 2007
Filing Period:	July 2, 2007 through July 20, 2007

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on December 5, 2007, 86 day(s) late. As such, this committee has been assessed a fine of \$4300.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

If the above listed violation is not appealed and since this is a subsequent violation the previously stayed fine(s) for delinquent filing is now also required to be paid by the committee within 30 days:

Reporting Period	Report Type	Previous Fine Amount
1/1/2007 – 1/28/2007	Pre-election	\$500.00
<b>TOTAL AMOUNT NOW DUE</b>		<b>\$4800.00</b>

If you have any questions regarding the appeal process, please call Sue McArthur at 217/782-1543.

Appeal of Civil Penalty Assessment for Delinquently Filing the  
2007 June Semi-Annual Report

The Report was received on November 20, 2007, 77 days late, resulting in a penalty assessment of \$3850.

John H. Thornton, Sr., the Chairman and Candidate of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Thornton stated that his Secretary/Treasurer falsely informed him that she had transmitted his information in the time frame that the paperwork was due. During that period his secretary was terminated as well due to an ongoing investigation for embezzlement. Due to the investigation he is not allowed to give any further information at this time. In an attached letter, Mr. Thornton stated that he was not aware that the report was late until the Board contacted him through letter which states that he now owes a fine because it was late.

I recommend that the appeal be denied for lack of an adequate defense. This report was not received until November 20<sup>th</sup>. All report notifications had been sent to the post office box, which was the Committee address at that time and, according to Board records, remains the Committee address. The 2007 Semi-Annual notification was mailed to the Committee on 5/30/07, and a reminder notification was sent on 7/10/07. In addition, the Board has not been notified of any change in officers since the original D-1 was filed in February 2007. It is clear that Mr. Thornton is dealing with internal personnel problems in the Committee; however, such problems do not constitute a valid reason for the Committee's delinquent filing. As a first violation, the penalty is stayed.

I, John Thornton Sr. am sending in a letter affidavit to appeal my annual report case. From my understanding your office stated that my annual report was late for the given time frame of January 07-June 30, 2007. I would like to appeal this due to the matter of circumstances that my secretary/treasurer which whom handles my paperwork and funds for election was terminated for grounds of an ongoing investigation of embezzlement with our office. My secretary falsely inform me that she have transmitted this information to you in a timely manner. I was not aware that my report was late until your office contacted me through letter which states that I now owe a fine because it was late. **REPORT OF HEARING EXAMINER**

The political committee filed its June 2007 Semi-Annual Report electronically with the State Board of Elections (herein referred to as SBE), on December 5<sup>th</sup>, 2007, 86 day(s) as such, the political committee has been assessed a fine of \$5,000.00.

Mr. Edward Duffy, Treasurer, filed a Request for Hearing and Appeal Affidavit, on January 16<sup>th</sup>, 2008, indicating "I respectfully request to appear before the Board to present an oral defense".

Mr. Duffy indicated that due to the resignation of Mr. Brian Burn as Treasurer effective November 4, 2005, Mr. Thomas Carey, assumed responsibility as Chairman/Treasurer of the political committee on November 13<sup>th</sup>, 2004. Mr. Duffy stated over the following years Mr. Carey's age (75) and the affliction of Alzheimer's created a situation where SBE correspondence was regrettably going unnoticed. Mr. Duffy filed an amended Statement of Organization, Form D-1, on Tuesday, January 29<sup>th</sup>, 2008, reflecting himself as the Treasurer of the political committee. It is Mr. Duffy's intent to disburse residual funds, and file a Final Report. Such Final Report was electronically filed on Tuesday, February 19<sup>th</sup>, 2008.

Based upon a review of statements/documents presented in this matter, it is the opinion of the Hearing Examiner that Horsepower PAC LTD failed to file its June 2007 Semi-Annual Report electronically in a timely manner. Therefore, it is the recommendation of the Hearing Examiner that the appeal be denied and the assessed civil penalty of \$5,000.00 be due and owing. Since a Final Report has been filed, it is further recommended that such assessed civil penalty be ABATED if the political committee remains dissolved for a period of two (2) years following the date of the Final Order of the Board imposing the penalty.

Dear Horsepower PAC LTD;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	January 1, 2007 through June 30, 2007
Filing Period:	July 2, 2007 through July 20, 2007

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on December 5, 2007, 86 day(s) late. As such, this committee has been assessed a fine of \$5000.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

If the above listed violation is not appealed and since this is a subsequent violation the previously stayed fine(s) for delinquent filing is now also required to be paid by the committee within 30 days:

Reporting Period	Report Type	Previous Fine Amount
7/1/2006 - 12/31/2006	Semi-annual	\$1400.00
<b>TOTAL AMOUNT NOW DUE</b>		<b>\$6400.00</b>

Case No. **07 MA 030**

ESPA District #15 PAC      S9399  
**Respondent**

**REPORT OF HEARING EXAMINER**

The political committee on April 13<sup>th</sup>, 2007, filed the following disclosure reports late with the State Board of Elections (herein referred to as SBE), (1) A Statement of Organization, Form D-1, indicating a creation date of April 13<sup>th</sup>, 2007, 43 days late (\$1,075.00), and, (2) A Pre-Election Report for the April 2007 Consolidated Election, 9 days late (\$500.00). As such, the political committee has been assessed a total fine of \$1,575.00.

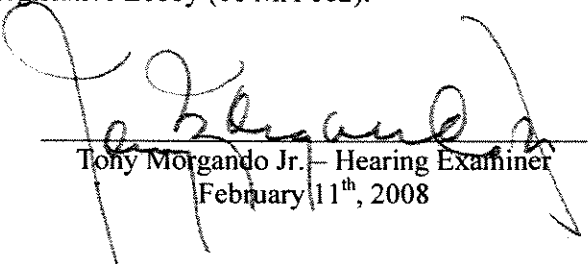

Ms. Angeline Drazkowski, Chairman, filed a Request for Hearing and Appeal Affidavit, on January 10<sup>th</sup>, 2008, indicating "mitigating circumstances" as good reason or defense to the assessment of the civil penalty.

Hearing in this matter was set for Wednesday, January 30<sup>th</sup>, 2008, to be conducted telephonically from the Chicago Board office, 100 W. Randolph, 14-100, at 10:30 a.m.

Ms. Amy Kunz, IEA-NEA UniServ Director, Angeline Drazkowski, Chairman, Barbara John, Treasurer, and Mr. James Nally, Counsel, participated via conference call on behalf of the political committee. The Respondent(s) indicated that the committee had a cash balance of \$1,721.00 as of November 28<sup>th</sup>, 1998. From that point in time, through January 25<sup>th</sup>, 2007, two (2) deposits were made to the account - (1) An IPACE rebate in the amount of \$728.00 on February 1<sup>st</sup>, 2006, and, (2) An IPACE rebate in the amount of \$2,380.00 on January 25<sup>th</sup>, 2007. The Respondent(s) did indicate that the political committee did make an expenditure to the Friends of Bokor, Chapman & Ekeberg, on April 13<sup>th</sup>, 2007, in the amount of \$3,000.00. The Respondent(s) in this matter did provide the Hearing Examiner with all relevant bank statements related to their limited financial activity.

Based upon a review of statements/documents presented in this matter, it is the opinion of the Hearing Examiner that the ESPA District #15 PAC exceeded threshold limits as of January 25<sup>th</sup>, 2007, with the acceptance of the IPACE rebate in the amount of \$2,380.00. Such contribution established receipt of contributions during a 12-month period in excess of \$3,000.00 (\$3,108.00). Therefore it is the recommendation of the Hearing Examiner that the appeal be denied, and the assessed civil penalty of \$1,575.00 be imposed, but STAYED as a first violation.

Such recommendation is consistent with similar rulings in SBE v. Chicagoland Apartment Association PAC (06 MA 001), and SBE v. Black Illinois Legislative Lobby (06 MA 002).

**REPORT OF HEARING EXAMINER**  
Report of Public Hearing for the  
Failure to File a Semi Annual Report for  
The Period Ending June 2007

**PROCEDURAL HISTORY**

On November 26, 2007, the above referenced Complainant filed a Form D-4, Complaint for violation of the Campaign Disclosure Act, wherein it is specifically alleged that pursuant to 10 ILCS 5/9-10, 5/9-13, and 5/9-14, of the Campaign Disclosure Act, the Respondent failed to file a Semi Annual Report for the period specified above.

On December 13, 2007, a Closed Preliminary Hearing was convened in the Chicago Offices of the State Board of Elections. At that time, the Respondent failed to appear at said hearing, nor had the report at issue been filed, and as a result, the Hearing Examiner recommended that a Public Hearing be conducted. The Board issued an Order dated January 24, 2008 calling for a Public Hearing to be held.

On February 20, 2008, after acknowledging the receipt indicating proof of service upon the Respondent, a Public Hearing was convened. Tara Cachur appeared on behalf of the Complainant. No appearance was entered on behalf of the Respondent. Ms. Cachur testified that the Board found that the complaint was filed on justifiable grounds. She further indicated that the Complainant still was not in receipt of the Semi Annual Report for the period ending June 2007, and therefore requested that this Hearing Examiner recommend that the Board issue an Order for the Respondent to file its report within 30 days of the date of its Order. No further testimony occurred.

**CONCLUSSIONS AND RECCOMENDATIONS**

Given the fact that the Respondent failed to appear at hearing, and has yet to file a June 2007 Semi Annual Report, it is the recommendation of this Hearing Examiner that the Board issue an Order for the Respondent to file this report within 30 days of the date of issuance of such Order.

**Re:** Proposed Rulemaking Regarding the Use of Obituaries to Remove Deceased Voters from Voter Registration Rolls.

**Date:** February 20, 2008

---

The following is a proposed addition to the State Board of Elections Rules and Regulations that would add a published obituary, listing the name of a deceased voter as one of the acceptable notices that an election authority may use to strike the name of a registered voter from their voter registration rolls. This suggested change was submitted to the Board by Champaign County Clerk Mark Sheldon, who was concerned about the delicate nature of seeking confirmation of the death from the spouse or relative of such deceased voters. Included with this proposal is the letter from Clerk Sheldon, as well as a copy of the relevant portion of the Guide to Implementing the National Voter Registration Act (NVRA) published by the FEC, which lists newspaper obituaries as a suggested form of notice. This appears to be a reasonable amendment to the SBE's Rules, and I therefore submit this to the Board for their approval.

Sincerely

**Section 216.50 Canceling Voter Registrations**

- a) This Section implements Section 8 of the National Voter Registration Act of 1993 (42 U.S.C Sections 1973gg-5 and gg-6) and the order of the Circuit Court of Cook County entered May 1, 1996 in Or, et al., v. Edgar, et al. 95 CO 246 and 95 CO 248 (Consolidated).
- b) No voter registration may be canceled without following the procedures and providing the notice of suspension or cancellation required by Section 8(a) through (d) of the National Voter Registration Act of 1993. The Voter Registration Application or the Voter Registration Card of an inactive voter who has not voted in two consecutive general federal elections shall be canceled at the completion of procedures set forth in Section 8(d) of the National Voter Registration Act of 1993, provided that while such procedures are pending, the voter has taken no action specified in the National Voter Registration Act of 1993 to restore his or her name to active voter status.
- c) An election authority shall cancel the Voter Registration Application or Voter Registration Card of a voter upon receipt of a request in writing from the voter to do so. A written acknowledgment by the voter that he or she has changed residence to a place beyond the jurisdiction of the election authority or an attempt to register in another jurisdiction shall be deemed a request to cancel the voter registration.
- d) A voter's registration shall be canceled upon the election authority's receipt of:
  - 1) a notice from the State Board of Elections that the voter has been incarcerated in a United States correctional facility by reason of conviction;
  - 2) a certified notice from the a state department of corrections or a sheriff of a county in the United States that the voter has been incarcerated in a state or county correctional facility, as the case may be, if:
    - A) the certified notice states on its face that the incarceration is a result of a criminal conviction and the crime of which the voter has been convicted, or
    - B) the certified notice is accompanied by a certified judgment of conviction or equivalent document issued by the court in which the conviction was obtained;
  - 3) a certified copy of a judgment of conviction from a court of record that the

voter has been convicted of a crime in which it was found that the voter lacked the requisite qualifications to be a voter in Illinois either at the time of conviction or at the time application was made to become a voter, whether or not the voter was incarcerated as a result of such conviction;

- 4) a certified copy of a final judgment order of a court of record or a certified copy of the final determination of an administrative tribunal having jurisdiction in which it was found that the voter lacked the requisite qualifications to be a voter in Illinois either at the time of entry of the judgment or determination, or at the time application was made to become a voter; or
- 5) a certified copy of the voter's death certificate or equivalent document issued by a department of vital records, wherever situated, or in the alternative, an obituary from a newspaper or a copy thereof, listing the name of the decedent. In the event an obituary is used, confirmation of its authenticity and accuracy must be obtained via a written or verbal confirmation by an official of the funeral home or other location at which the memorial service, wake, funeral or similar service is held.

Dan White  
Executive Director  
State Board of Elections  
P.O. Box 4187  
Springfield, IL 62708

Dear Mr. White,

I am enclosing a letter from Robert Pearson wherein he explains how he lost his wife following an operation in Ohio. Because the death did not occur in Champaign County, we did not have notice of it.

State Board of Elections rules (enclosed) require a death certificate to remove a voter.

Rule 216.50

- 5) a certified copy of the voter's death certificate or equivalent document issued by a department of vital records, wherever situated.

The Federal Election Commission, in their 1993 publication Implementing the National Voter Registration Act of 1993 states that voters can be removed upon death with an obituary. (enclosed)

I believe that the obituary generally provides enough information to accurately remove voters upon their death. Certainly County Clerks will need to exercise some prudence, but they need to do that upon removing any voter for whatever reason and with whatever documentation.

By allowing the less strict standard in Illinois, we would be helping to keep our voter files more accurate, and would avoid the not uncommon problem of inconsiderate and thoughtless mailings to widows and widowers, like the one enclosed.

Please consider having this rule changed. It may also be a good time for the Board to consider other changes to our list maintenance requirements that would assist us in cleaning our registration rolls.

Sincerely,

Mark Shelden  
Champaign County Clerk

AUGUST 29, 2007

Mr. Mark Shelden  
Champaign County Clerk  
1776 E. Washington  
Urbana IL 61802

Dear Mr. Shelden:

I am sorry to report that Marilyn June Pearson, my wife of almost 50 years died July 25, 2004 at the University of Ohio Hospital in Columbus. She died following an operation from cancer of the liver.

I apologize for not notify your office of her death. She worked for many years as an election judge before she got sick and was active in the community. My life was in shambles after her death because after almost 50 years together her death was like having part of my being ripped out.

I can provide a Xerox copy of her death certificate if necessary, but it would require me going to the deposit box to get it. Please notify me if necessary.

Sincerely,

Robert A. Pearson

Research suggests the States that require such notification be provided to the State election official on a regularly scheduled basis (e.g.; monthly) have more effective programs because reporting at the local level tends to be sporadic. The State, in turn disseminates the information to local jurisdictions either by notifying those local election officials appropriate to the addresses on the list, or by sending the entire report to all local jurisdictions.

#### ***Removal by Reason of Death***

The Act requires that States make a reasonable effort to “remove the names of ineligible voters from the official lists of eligible voters by reason of the death of the registrant...” [Section 8(a)(4)(A)]. It does not, however, specify the procedures for doing so. Because obtaining information about deaths of registrants has proved so difficult in the past, States might want to develop a more systematic approach.

One such approach might be requiring the State office in charge of vital statistics (e.g.; Bureau of Vital Statistics, Department of Health, or Division of Human Resources) to inform the chief State election official of all deaths of State residents on a monthly basis (in parallel to notices of court convictions). States may also want to establish what other sources of information about registrants who may have died are permitted and how to verify them, when necessary. These other sources may prove especially important for border jurisdictions whose registrants may seek medical attention from nearby hospitals in another State. These “unofficial” sources might include newspaper obituaries, contact with the deceased’s relatives, or personal knowledge of an employee in the office charged with administering voter registration.

#### ***Removal by Reason of a Written Confirmation of a Change of Address outside the Registrar’s Jurisdiction***

The Act prohibits removing the name of a registrant from the list of eligible voters “on the ground that the registrant has changed residence unless the registrant confirms in writing that the registrant has changed residence to a place outside the registrar’s jurisdiction in which the registrant is registered...” [Section 8(d)(1)(A)].

There are three ways in which a registrar might receive such written confirmation from the registrant.

First, the registrant may spontaneously send a notice informing the registrar of their change of address outside the jurisdiction (although this is an extremely rare practice). Still, should it happen, registrars need obtain no further confirmation.

The second way includes any actions by the registrant “that result in the registrant being registered at a new address, such as registering in another jurisdiction or providing a change-of-address notice through the driver’s license [or agency] process that updates the voter registration” [Hse. Rpt., Section 8, page 14]. This suggests that cancellation notices received from voter registrars in other jurisdictions would be sufficient for removing a registrant’s name. And by the same token, notices received from motor vehicle departments and agencies regarding a registrant’s

**Re:** Act Blue Illinois

**Date:** February 26, 2008

---

An issue has presented itself to the Campaign Disclosure Division that involves a political committee currently on file with the State Board of Elections (SBE). The political committee at issue is ActBlue Illinois (ABI), which is a branch of the national organization ActBlue. This organization has created a website in various states including Illinois. The website lists all candidates running under the Democratic Party label in Illinois. The website invites any visitor to click on a link to any candidate or candidates for the purpose of making a contribution to such candidate(s). The visitor may contribute as much money and to as many candidates as he would like. ABI transfers the contribution, (after deducting a small processing fee) to the contributor's intended recipient candidate. ABI does not exercise any independent discretion as to which candidates receive contributions or as to how much such candidate receives. The processing fee is a percentage of each donation, which is then transferred to Auburn Quad, a company with whom ABI has contracted with to provide administrative services. The recipient candidates are being informed by both the SBE and ABI that they should report the full amount of the contribution(s) as having come from the contributor(s) and (not ABI), and to report the deducted processing fee as an expenditure to Auburn Quad.

The issue facing the SBE is whether ABI is a political committee, as that term is defined in the Campaign Finance Act (the Act) and the corresponding Rule. A political committee is generally defined as an entity (candidate or organization) that accepts contributions and makes expenditures exceeding \$3,000 on behalf of or in opposition to a candidate or referendum [10 ILCS 5/9-1.7 and 5/9-1.8]. Rule 100.10(g)(3) generally states that if a person or whoever solicits or receives funds for political purposes or acts as a conduit for political funds, it would become a political committee and have to comply with the Act's filing requirements. A strict reading of these provisions would seem to require Act Blue to file and report as a political committee. The campaign disclosure staff and I had a lengthy discussion on this issue and it boiled down to the basic question of whether Act Blue is really a political committee as contemplated by the Act. We are of the opinion that Act Blue is more a conduit for political contributions (albeit with a partisan identity) rather than a political committee.

The Campaign Finance Act was “designed to preserve the integrity of the electoral process by requiring full public disclosure of sources and amounts of campaign contributions and expenditures”. Walker v. State Board of Elections 29 Ill.Dec. 244. It is my understanding that ABI provides its listed candidates with the names, dates and amounts of each contribution so that the candidate’s committees can fulfill their reporting responsibilities. This however, poses a problem from an administrative perspective. Since ABI currently is reporting the name, date and amount of the contributions it receives on its own reports, and the listed candidates are now being instructed to do the same on their own reports, the result is a “double reporting” and is potentially misleading to interested observers of candidates’ finances. Consistent with its opinion, the SBE would like to inform ABI and similar organizations (in fact, ABI made a written request for guidance on this question) that they need not be on file. However, the SBE legal staff is hesitant to do so as this may be construed as a legal opinion which the SBE has been advised by the Attorney General not to give [1987 Ill. Atty. Gen. Op. 230]. Even if the SBE were so inclined to give its opinion and ABI or others acted in reliance upon it, these organizations could be vulnerable to a complaint for non-compliance with the Act and the SBE would be in the awkward position of having advised them to take the action complained of (filing a Final Report or not filing a D-1 Statement of Organization).

To resolve this issue, I am suggesting authorization to propose an amendment to the Rules and Regulations that would define “conduit” so as to exclude organizations such as ABI. It should be noted that the term “conduit” contained in Rule 100.10(g)(3) was intended to apply to those entities such as a ward or township organization who also act as conduits, but who exercise their own independent discretion as to how their funds (raised through contributor solicitations) are distributed; a situation different than ABI, who does not exercise such discretion. Another option would be to define the parameters of ABI and similar organizations’ filing obligations by requiring a completely separate reporting requirement to be facilitated through a separate reporting medium, so as not to result in the double reporting mentioned above. I am hopeful that this memorandum will generate discussion that will give the staff the rulemaking authority it seeks, and provide guidance as to how such a rule change would be written.

On the following pages, please find two suggested amendments to Rule 100.10(g)(3) for your consideration.

Sincerely

Steven S. Sandvoss  
General Counsel

- 3) If a person or whoever solicits or receives funds for political purposes or acts as a conduit for political funds, he or she would, in fact, become a political committee and have to comply with all provisions of Article 9 of the Election Code. For purposes of this subparagraph, the term "conduit" means any person who receives and forwards an earmarked contribution to a candidate, a candidate's political committee, or a committee organized to support or oppose a question of public policy. A fundraising entity retained by the candidate or the candidate's political committee to assist in fundraising shall not be considered a "conduit" for purposes of this subparagraph. All contributions made by a person, either directly or indirectly, on behalf of a particular candidate or question of public policy, including contributions which are in any way earmarked or otherwise directed through an intermediary or conduit to such candidate or question of public policy, shall be treated as contributions from such person to such political committee and shall be reported as such by the political committee. Any fees incurred by the fundraising entity shall be reported as expenditures by the political committee.

- 3) If a person or whoever solicits or receives funds for political purposes or acts as a conduit for political funds, he or she would, in fact, become a political committee and have to comply with all provisions of Article 9 of the Election Code. For purposes of this subparagraph, the term "conduit" shall only refer to a person or whoever who either controls, directs or otherwise has discretion over the transfer of political funds to recipient candidates, or their political committees or committees to support or oppose questions of public policy. The term "conduit" shall not include a person or whoever who disburses political funds exclusively at the direction of the contributors who transfer funds to such person or whoever. Recipients of political funds transferred from such persons or whoever that are not "conduits" as described in the next preceding sentence shall list as a contributor the person or entity who made the initial transfer of political funds to the "non-conduit" person or whoever and any other information required to be disclosed by the provisions of Article 9 of the Election Code.
